INFORMATION DISCLOSURE STATEMENT OFFICE OF PETMONS CITATION UNDER 37 C.F.R. 1.97

Sir:

In conjunction with a Request for Continued Examination (RCE), Applicants are providing a list of documents on Form PTO/SB/08A. Applicants request that the Examiner consider the documents cited therein and officially make them of record in accordance with the provisions of 37 C.F.R. § 1.97 and MPEP § 609.

Each item of information contained in this Information Disclosure Statement was recently cited by a foreign Patent Office in a communication regarding a foreign application, namely the International Search Report for International Application Number PCT/US02/32507, that claims priority from the above-referenced U.S. Application Serial No. 10/003,331 (and its parent U.S. Application Serial No. 09/787,189). More specifically, on December 4, 2003, Applicants received the International Search Report for International Application Number PCT/US02/32507, and we enclose a copy of the same. Please note that we previously cited the two articles written by D. Alok et al. and J.S. Chen et al. in our initial Information Disclosure Statement filed on February 11, 2002, so we are not resubmitting these two documents.

Applicants are submitting a copy of the referenced International Search Report and all documents cited in this Information Disclosure Statement to the U.S. Patent and Trademark Office in related Application No. 09/787,189, filed March 15, 2001. Because this earlier

application is being relied on for an earlier effective filing date under 35 U.S.C. § 120, no copies need to be provided in accordance with 37 C.F.R. § 1.98(d). Applicants will provide copies upon request.

Respectfully submitted,

Philip Summa Reg. No. 31,573
